Honorable Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

In response to the Notice of Drawing Requirements dated September 10, 1993 (copy enclosed), the undersigned has been informed that this "Notice ..." is being withdrawn, as the drawings were in fact timely filed with the Issue Fee and therefore no extension of time is required.

Applicant's representatives were informed by Ms. Toni Hood of the Patent Office that the "Notice ..." is in error regarding the time of filing of the subject drawings. Ms. Hood has also confirmed that a new "Notice ..." will be mailed to the undersigned in order to require further corrections to the formal drawings.

If for any reason additional information or action by the applicant is required, please contact the undersigned by telephone.

Respectfully submitted,

William K. Konrad, Reg.No. 28,868

For: NOTICE OF DRAWING REQUIREMENTS

☐ The PTO delayed in providing a commercial bonded draftsman with drawings from the above-identified application. The delay prevented the draftsman from filing corrected drawings within the response period set in the Notice of Allowability mailed \_\_\_\_\_. Hence, said response period is hereby vacated. THE SHORTENED STATUTORY PERIOD FOR RESPONSE to comply with the requirement for drawing corrections is set to EXPIRE ONE MONTH FROM THE DATE OF THIS LETTER. Failure to comply will result in the ABANDONMENT of this application. Extensions of time may be obtained under the provisions of 37 CFR 1.136(a) by filing the appropriate request and fee before the end of the six month statutory period for response.

☒ Corrected/substituted drawings for the above-identified application, received in the PTO on 7-19-93, are still considered informal for the reason(s) identified on the attached Form PTO-948.

☐ Applicant has the time remaining in the response period set in the Notice of Allowability or Notice of Drawing Requirements mailed \_\_\_\_\_ to overcome the objections raised in the attached Form PTO-948. This response period may be extended under the provisions of 37 CFR 1.136(a) by filing the appropriate request and fee before the end of the six month statutory period for response.

☐ The PTO delayed in reviewing the corrected drawings. Applicant is given ONE month time limit from the date of this letter to provide corrected drawings. NO EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 CFR 1.136(a) or (b). See MPEP 714.03. However, the response period set in the Notice of Allowability or Notice of Drawing Requirements mailed \_\_\_\_\_ may be extended under the provisions of 37 CFR 1.136(a) by filing the appropriate request and fee before the end of the six month statutory period for response.

☒ Corrected/substituted drawings for the above-identified application received in the PTO on 7-19-93 were submitted outside of the period for response set in the Notice of Allowability or Notice of Drawing Requirements mailed 4-18-93. This application will become abandoned unless applicant obtains an extension of time under the provisions of 37 CFR 1.136(a) by filing the appropriate request and fee before the end of the six month statutory period for response.
